Pennsylvania's EITC and OSTC Programs Provide Critical Funding for Jewish Education

The Educational Improvement Tax Credit (EITC) and Opportunity Scholarship Tax Credit (OSTC) programs give Pennsylvania taxpayers the opportunity to direct their PA tax dollars to provide need-based scholarships for children at our region's 10 Jewish day schools and 25+ Jewish preschools. Through the efforts of the Jewish Scholarship, LLC, and the Foundation for Jewish Day Schools, over \$6.5 million in critical funds were awarded to children at our day schools, and nearly \$800,000 in scholarships were awarded to over 800 children in local Jewish preschools.

There is a limited time for new participants to join the program for this year. Please visit www.jsllc.org to find out how individuals, business owners, and businesses can participate and to learn if you qualify.
