#### Help Needed

Our fellow member, Rabbi Michael Stern, is in the Cardiothoracic ICU, and his family needs your help.

After having a heart attack and bypass surgery, he went home to recover. Unfortunately he went into cardiac arrhythmia shortly after. He is currently in critical condition in the ICU. As a result, a fund has been set up to help Rabbi Stern's family with medical and living expenses which are piling up. Please make a contribution to help relieve the financial burden ([gofundme.com](http://gofundme.com)).
